

A-LINE

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

Our new Spondor A-Line loudspeakers prove you don't need a big space, or budget, to enjoy dynamic, open and exhilarating sound. If you're someone who truly loves music, whichever model you chose, they will add a whole new dimension to your listening pleasure.

They are slim, compact and you can place them easily and unobtrusively into your living space and they will fill the room with a clear captivating sound. And thanks to innovative Spondor technology the A-Line loudspeakers will get the very best from whatever equipment you have.

**WHAT HI-FI?
AWARDS 2017**

Stereo speakers
Best floorstander £2000+
Spondor A4

Looking for a good pair of compact premium floorstanders? Spondor's new A4s could be exactly what you're after. They're beautifully engineered, smartly finished and sound great.

WHAT HI-FI AWARDS 2017

The new Spondor A-Line loudspeakers deliver class leading performance. They are the most adaptable and affordable loudspeakers we have ever created.
